

Help Gaming Employees Affected by the Devastating Impact of Hurricane Katrina.

In light of the devastating affects of Hurricane Katrina on gaming jurisdictions along the Gulf Coast, the American Gaming Association (AGA) has set up the Gaming Industry Katrina Relief Fund. The fund will raise industry dollars to provide disaster relief and assistance to affected gaming employees in Mississippi and Louisiana.

There are several ways you can contribute on-site at G2E:

- To donate by cash or check on-site, place your contribution in one of the drop boxes located on the show floor.
- To donate by credit card or for cash donations of more than \$250, complete the form below and bring it and your payment to the G2E registration area, where a representative will process your payment.
