

# A Year of Legal Sports Betting in the U.S.

AMERICAN  
GAMING  
ASSOCIATION

**8 states** are offering legal sports betting

**4 additional jurisdictions** plan to be up and running by football season

**30 states** considered legalizing sports betting in 2019

In New Jersey alone, **\$100 million** was legally wagered on March Madness in March 2019

**35 partnerships** between leagues, teams and gaming companies

**0 markets** implemented integrity fees, royalty fees or other harmful league mandates

**\$55 million** in state tax revenue since last May

**\$7.9 billion** legally wagered since PASPA was overturned

**\$3 billion** wagered in new markets

Bettors in Nevada wagered nearly **\$600 million** on sports in March 2019, a new monthly record

Just **eight months** after PASPA's repeal, the majority of legal sports betting was done outside of Nevada.

**\$8 out of every \$10** wagered in New Jersey is bet online
