SPORTS BETTING IN 2019:
OVERWHELMING PUBLIC SUPPORT FOR LEGAL SPORTS BETTING MARKETS

Recent AGA-commissioned research revealed:

- Nearly eight out of ten (79%) Americans support legalizing sports betting in their state.
- An overwhelming majority of Americans (63%) support the Supreme Court's ruling that struck down the sports betting ban.
- Two out of three people (66%) believe sports betting is best regulated by states and sovereign tribal governments.
- There is weak support (23%) for leagues getting a cut of wagers on sports. The majority of people (55%) opposed the idea.
