

We value your participation in American Gaming Association (AGA) member committees and groups. To help with planning, this calendar provides the current schedule of 2020 AGA events. We make every effort to stick to these dates and locations, and will notify you as soon as possible of any changes. Additional events and details will be shared, as finalized.

If the member representative for any committee or working group is unable to attend, we welcome discussion of an alternate attendee. Should you have any questions or concerns, please contact Allie Barth, senior vice president, industry relations, at 202-552-2685 or [abarth@americangaming.org](mailto:abarth@americangaming.org).
